JOURNALISTS' VIEWS ON CANDIDATES FOR APPOINTMENTS
TO BE MADE BY THE U.S. GOVERNMENT.

From: NEW YORK

To: MOSCOW

No.: 1507

23 Oct. 1944

To VICTOR.

From a chat with SERGEJ(i)
[69 groups unrecoverable]
[SW]INC(ii) assert(a) that HENDERSON(iii) will not be appointed to this post. Thomas REYNOLDS, a correspondent of the CHICAGO SUN who is on very friendly terms with CAPTAIN's [KAPITAN](iv) close adviser - ROSENMAN(v), said that HENDERSON(iii) will be given the post of economic (D) adviser with the Military Administration of Occupied Germany. DUMBLE-DEE [SHMEL'](vi) and SWING(ii) consider the most serious candidacy in 1944 is that for the head of the ARSENAL(vii). They and correspondent HIGHTOWER [KHUTAUER], who has connections with the BANK(viii), assert that so far the question has not been decided. Several correspondents have named General WEDEMAYER [VIDEMEYER] as commander of the occupation forces of the COUNTRY [STRAHA](ix), however there is no possibility of checking the information. Apparently one [3 groups unrecovered] General CLARK, but at the instance of MURPHY [MERFI](x) his candidacy has been turned down because he is a Jew.

No. 844.
